

GUE is turning 20! We're kicking off the celebration with two exciting launches--stay tuned for more in the coming weeks!

Highlights from the last 20 years!

Over our 20 years of teaching students and exploring and conserving the world's waters, GUE has so much to be proud of. Our accomplishments are a result of the passion and dedication of our instructors, members, and students. We've highlighted some of the organization's and GUE divers' greatest accomplishments in this infographic. Happy 20th anniversary!

GUE 20th Anniversary Diving Systems

What a way to commemorate this milestone! We are excited to be offering a limited edition GUE Anniversary Diving System. Whether you are just beginning, continuing to develop, or are ready to show your inner explorer, this system will support you in your quest for excellence! In turn, you can also support GUE and your fellow underwater explorers. The proceeds from these sales will be dedicated to GUE's nonprofit mission in support of aquatic education, conservation, and exploration.
